Subject: Request for Company Certificate of Name Change, H E Davis Construction,  
Levan Henry 1 & 2, M/023/023, Juab County, Utah

Dear Mr. Christofferson:

Over the course of the past three years there have been several H E Davis Construction paperwork/bond submittals to the Division. Specifically they are outlined as follows:

- On July 31, 2002, the Division received a signed Transfer of Mining Operations (transfer) for a total of 8 acres but did not approve it because of a pending mine plan revision.
- The current reclamation contract was executed on March 23, 1994 between H E Davis and Sons and the Division. There is a pending reclamation contract between H E Davis Construction and the Division that remains unexecuted because the transfer has not been approved by the Division.
- On March 15, 2005 a Corporate Surety bond was executed in the amount of \$80,000.00 which remains unapproved by the Division as a result of the unapproved transfer.

In order to proceed with the approval and execution of the reclamation contract and surety bond, the Division is requesting **you submit a Certificate of Name Change between H E Davis and Sons to H E Davis Construction**. A transfer will then not be necessary. If this document cannot be obtained, the Division will proceed with the Transfer of Large Mining Operations. However, acreage revisions will be required to the form.
